P1 and P2 NIVEAU -- PARKING CLOSURE

Please be advised that the P1 & P2 (50 O'Connor) parking level will not be accessible over the following timeframe:

Tuesday, August 3rd until Friday, September 3rd, 2021

P3, and P4 (50 O'Connor) as well as B3 (99 Bank) parking levels will be available and are to be used as alternate areas.

All patrons will be required to access the P3 and P4 parking through Valet Parking entrance. Signage and traffic guides will be available to assist you through to the appropriate areas.

Should your reserved stall be impacted, Reef Parking will be making arrangements with you directly to find alternate parking locations on another level.

This year our remaining plan is as follows:

We want to thank you for the patience during this project. We have accelerated the three (3) year repair project so that more work can be done this summer during low occupancies. This method will allow for much less impact to parking users next year.
